

Dear Student,

We are sorry to hear of the situation at BCA Training and would like to offer you our support in this difficult time.

We understand that as an International student, you may have a plan to study in order to access to different opportunities in Australia. Therefore, we are pleased to give you the opportunity to study with the Business College at IH (ihBC) and hope this will limit the pressure and stress that this situation may have on you.

Business College at IH (ihBC) can offer BCA transfer students the following:

1. Enrol you at the same tuition fees as BCA.
2. Waive the Enrolment Fee to help limit financial burden.
3. There is no Material Fee at ihBC.
4. We will assess each application and credit as many units as possible that ihBC has on its scope. We acknowledge that you have worked very hard to get where you are currently in your course.
5. We will provide automatic admission into your current course based on your BCA enrolment. We recognize that students who enrolled at BCA met the entry requirements for each course.
6. We will provide each student with a Study Plan so you can finish your qualification within your visa allowance. Each situation will be assessed on a case-by-case basis.
7. We will organise sessions with trainers to work on specific assessments in order to achieve competency for any unit you may not have yet finished.
8. We welcome and encourage you to attend one of our classes in advance to experience ihBC before you make a decision
9. We will organise Information Sessions on request so you can find out more about who we were and what we do.

This plan is to assist BCA students to ensure a better experience in this difficult time.
