Dear International Student impacted by the closure of Australian Business School Pty Ltd,

We are sorry to hear about the unexpected closure of your education provider and we would like to support you during this challenging time to ensure your studies in Australia are uninterrupted and your educational needs are met.

We would like to encourage you to contact me to discuss your specific situation and options for you to consider.

Envirotech Education has significant experience in offering quality education programs in Business and Digital Media to Overseas and Domestic students and we can assist you to make a smooth transition back to your studies in any of the courses offered in the attached international students pricelist. In relation to the programs listed in your attached correspondence to Envirotech Education:
