

## Australian School of Management Students --- UWA Credit Assessment Guide

### Key Points:

- Students need to meet UWA ELC.
- Suggest that Students need to have achieved either 60% WAM or passed all units taken at first attempt to enter UWA.
- Optimal Pathway for students is the BCom, with a SINGLE major in Management.
- Table Below details all possible credit – for reasons of study plan practicality at UWA maximum credit granted should not exceed 48 points, drawn from such units listed below as students have completed.
- Units shaded in grey are unsuitable for UWA credit.
- Students who have completed less than 8 units against which credit is possible will receive less than 48 points credit.
- In addition to the management major, all students will also need to take ACCT Financial Accounting, STAT1520 Economics and Business Statistics, MATH1720 Mathematics Fundamentals (dependent on maths background but highly probable) and at least three broadening units (one category A) at UWA.

AIM Unit		UWA Credit		Comments
Code	Title	Code	Title	
HOT101	Introduction to Hospitality and Tourism Management	Nil		No corresponding UWA Units in this field of study.
HOT201	Managing Rooms Division Operations	Nil		No corresponding UWA Units in this field of study.
HOT202	Ownership and Management Structures	Nil		No corresponding UWA Units in this field of study.
HOT301	Hotel Revenue and Yield Management	Nil		No corresponding UWA Units in this field of study.
INT301	Internship 1	6 Points Unspecified		Somewhat parallel to BUSN3348 but would not be happy with Level 3 credit.
INT302	Internship II	6 Points Unspecified		Somewhat parallel to BUSN3348 but would not be happy with Level 3 credit.
