

HETC Transferring student terms – ELICOS

1. This offer is available to any currently enrolled or future confirmed student at the Harvest Education Technical College which is no longer in a position to provide ELICOS courses. This includes stand alone ELICOS or students who are packaged with a Vocational or Higher Education course. Any Torrens University Australia offer only applies to students who meet the published entrance requirements
2. Torrens University Australia (TUA) offers the following ELICOS courses via Torrens University Language Centre:
 - General English (Elementary – Pre-Intermediate). Day and Evening (Sydney & Melbourne only)
 - English for Academic Purposes (EAP) (Intermediate – Advanced). Day and Evening (Sydney & Melbourne only)
 - English for Academic Purposes (EAP) (Intermediate – Advanced). Evening (Brisbane)
3. TUA will endeavour to match any HETC student to a correlating course and level. If this isn't possible the student will be informed prior to enrolment and given further options. If a course cannot be offered and an alternative not found, then a student will not be in a position to transfer
4. TUA will match any course fee given by HETC for ELICOS, Higher Education or VET courses that are scheduled to be offered by TUA. The student's fees need to be evidenced by the transferring student's Confirmation of Enrolment form/s
5. In the event that a transferring ELICOS student is unable to pay their fees upfront and the ELICOS portion cannot be guaranteed by the Tuition Protection Service (TPS), the following conditions will apply:
 - TUA is unable to offer a place to stand alone ELICOS students who are unable to pay their course fees
 - TUA will waive a transferring student's ELICOS fees if that student is packaged with a Higher Education or VET degree. If possible the ELICOS fees will still be recovered from TPS and the deposit paid for the HE or VET degree must be confirmed or guaranteed by TPS or the student prior to commencement.
 - Any student from HETC who moves into a degree programme with TUA will be offered a fee waiver scholarship where he/she will only be required to pay the same amount for their University degree as they would have paid for an HETC degree.

- Any HETC student who was packaged with a Vocational course is able to transition to a HE degree with Torrens University for the same price as he/she as their enrolled course with HETC
- Any stand alone ELICOS student who wishes to continue their studies with Torrens University Language Centre will be able to transition for the same course fee they were paying at HETC
- Any currently enrolled Vocational student will be able to transfer to a TUA degree and their fees and credits for units already studied and passed will be honoured
- VET current students will be offered the possibility to transition to a TUA degree for the same fee as their HETC vocational program
