

Opportunities to continue your study with ECU

Australian School of Management (ASM) students may have the opportunity to continue their studies with ECU at a reduced fee for a limited time. The following are the terms of this offer and instructions on how to activate it.

If you are an ASM student seeking other options to complete or transition into a Bachelor Degree, ECU may be able to offer you some options, if the following applies to you:

1. Your qualifications currently meet our entry requirements, and you can provide evidence of that;
2. You have copies of your academic records from ASM and/or can provide us with a formal ASM transcript and financial paperwork; and
3. You contact us via the prescribed method below before applying to ECU.

ECU recognises that ASM students are negatively impacted by the closure of ASM, and as such we are offering a Fee Reduction of 20% below our usual fees for courses in the School of Business and Law, including Business/Commerce and Hospitality.

In addition to the items listed above, to be eligible for the Fee Reduction you must:

- be an international student enrolled in a Bachelor Degree or Associate Degree program at ASM;
- comply with any applicable visa requirements;
- be commencing study at ECU no later than Semester 1, 2018; and
- not be in receipt of another scholarship or sponsorship*

*Further terms and condition apply

In order to find out your options, please contact studynecu@ecu.edu.au or ring **134 328**

Your individual circumstances will be taken into account, and ECU will endeavour to support you in the timeliest manner possible.
