

Careers Australia and ASM Transferring Student Information Points – Higher Education

- Please see attached document for a comprehensive list of all Higher Education courses available across Australia at Torrens University in the Business faculty, and with William Blue (a part of THINK Education)

Careers Australia and ASM Student Assistance Offer

1. For students located in Perth

Torrens University Australia has campuses in NSW, Victoria, Queensland and South Australia, with our William Blue campus being located in Sydney. As we do not have a physical location in Perth, we will offer to reimburse a displaced international student up to \$500 for relocation expenses to one of our interstate campuses. Receipts must be provided and a student must study for a minimum of 6 months with either TUA or William Blue.

2. Higher Education courses

- Torrens University Australia and THINK Education will match your Careers Australia degree fees once you start so you will not need to pay any extra to receive a University degree if relevant, or a degree from THINK Education.
- Torrens University Australia and THINK Education will credit your units studied so that you will not need to complete any more than you had remaining at Careers Australia. This is provided you study the same degree, or in a similar course area. For Accounting students, you will still need to complete the requisite areas of study for further accreditation. The maximum number of credits allowable into a degree is 18 from 24.

3. VET students who want to study Higher Education

- Torrens University and THINK Education will match the Careers Australia fee that would have been charged for a degree from your region, or the percentage equivalent for a HE Diploma, so you will not need to pay extra once you start
- Credit will also be given for any VET modules studied, at Certificate, Diploma or Advanced Diploma level.

4. ELICOS Courses

- Torrens University Language Centre will match the Careers Australia fees for either a standalone or packaged ELICOS course.

Our next intake date for all Business and Hospitality Diplomas and Degrees is the 17th July 2017
Our next main intake for 2017 for all ELICOS courses is the 26th June 2017, though for General English you can start any week

For any further queries, please contact Mark Falvo, General Manager of Business, Education, ELICOS and International on mfalvo@laureate.net.au
